Be sure to bring your driver's license to sign in and obtain a visitor's pass from the school office. Please read the guidelines listed below as they will help you understand the purpose of this club week.

- ✚ The Goal of this week is motivating students to keep their eye on the goal, winning their friends to Christ.
- ✚ Taking your faith to campus requires courage... that's why we need "encouragement"! Inspire students to take a bold stand for Christ.
- ✚ Speak about issues that are relevant to students living out their faith on campus.
- ✚ Share your own "God story"... how you became a Christian; those that impacted your life in the process; or how your faith guides your personal or professional life.
- ✚ Speak about basic spiritual disciplines that are clearly indicated in Scripture and ought to be included in the life of a Christian.
- ✚ Avoid topics that could lead to dividing, rather than uniting the church (spiritual gifts, mode of baptism, end times, denominational doctrines, etc.)

If you are in agreement with these guidelines, please sign this form and bring it with you when you come to speak.
